1. A special meeting of the Wild Rice Watershed District was held on Wednesday September 22, 2010, at the office of the District located at 11 Fifth Avenue East, Ada, MN. The purpose of the meeting was for prospective administrative interviews, permits and other issues. The following Managers were in attendance: Raymond Hanson, Mike Christensen, Diane Ista, Greg Holmvik, Duane Erickson, John Austinson and Dean Spaeth. Managers absent: None. In addition the following persons were in attendance: Interim Administrator Mark Aanenson, Assistant Administrator Loretta Johnson, Attorney Elroy Hanson and applicants.

2. Chairman Holmvik called the meeting to order at 8:30 a.m. Chairman Holmvik explained the process that would be used when interviewing the two administrator applicants at 9:00 a.m. and 10:00 a.m. Managers previously had been given a list of questions to choose from. Each Manager was told to choose two questions that they would like from the list and then use the same fourteen questions for both applicants.

3. September 8, 2010, Meeting Minutes. Minutes were reviewed by Managers and the consensus was that editing and changes would be made and the edited minutes would be provided to Managers for approval at the Regular October 13, 2010, meeting.

4. FEMA 2010 Projects Grant. A motion was made by Manager Christensen and seconded by Manager Austinson to authorize TDR1900 Sub-grant Agreement with FEMA in the amount of $9,239.30 for categories C through G, permanent work. Carried.

5. Community Levees City of Hendrum. Attorney Hanson stated that there is no new information on the City of Hendrum’s appeal of the Upper Becker Project. Interim Administrator Mark Aanenson reported that a preconstruction meeting for the City of Hendrum’s Levee Project will be held soon and construction will begin within a couple of weeks.

6. Approval of Billing. A motion was made by Manager Hanson and seconded by Manager Spaeth authorizing payment in the amount of $405 to All Seasons Contracting, Inc. for repair of a washout near Borup. Carried.

7. Administrator Interviews. Brad Oberg, candidate for Watershed District Administrator, met with Managers at 9:00 a.m. Managers asked the following questions of each candidate.

   1. Compare and contrast a soil and water conservation district with a watershed district. 2. Explain the relationship between the Red River Water Management Board and the Wild Rice Watershed District. 3. In the WRWD there is a need for significant flood damage reduction, there is also a desire to keep local taxes affordable for the residents of the District, how would you accomplish the goals of flood damage reduction while keeping costs affordable for district residents assuming that a local funds are required to construct projects?
4. What do you think is the most important issue facing the WRWD right now? 5. Explain the difference between a county ditch and a watershed ditch? 6. Are you familiar with QuickBooks, explain? 7. Where do the funds come from to maintain the ditch systems? 8. If you are hired as our administrator, you may see the need to change the organization. How would you approach this situation? 9. How do you typically deal with conflict? 10. Talk about a time you had to deal with a co-worker that was hard to get along with. How did you get along with them? 11. Tell about a situation where you were told “No” and you took the initiative to look for a win/win outcome. 12. Tell us how you’ve worked effectively under pressure. 13. What are the first five things you would do if you get this position? 14. Tell us about two memorable projects...on success and one failure. To what do you attribute the different outcomes? What would you do differently next time?

8. Oberg answered the questions to the best of his ability and also gave some background information, stating that he went to school for engineering and construction. He also asked about the Board’s goal, what is the need, is there a job description and what is the compensation package. Chairman Holmvik stated that the compensation package would be discussed with the finance committee and be something that was agreeable to both the applicant and the District. Oberg was thanked for his time and left the meeting at 9:35 a.m.

9. Resolutions to MAWD. Resolutions to be submitted to MAWD were discussed. A motion was made by Manager Ista and seconded by Manager Christensen to approve the following resolution to be submitted to MAWD regarding Redetermination of Benefits on projects on 103D. Carried.

REDETERMINATION OF BENEFITS FOR PROJECTS ESTABLISHED UNDER 103D

Whereas, the redetermination of benefits and damages is a vital part of the fiscal management of the Watershed District Projects.

Whereas, the authority to conduct the redetermination of benefits and damages for projects established under 103D does not currently exist.

NOW, THEREFORE BE IT RESOLVED, that the Minnesota Association of Watershed District seek statutory authority to add an additional section to 103D that allows for Redetermination of Benefits and Damages on watershed district projects established under 103D to be completed using the procedures set forth in 103E.351 (Redetermination of Benefits and Damages).

Manager Erickson also brought up the fact that under current law, Managers are required to be included in the PERA program and pay into the retirement plan. A motion was made by Manager Hanson and seconded by Manager Spaeth that a resolution be submitted to MAWD that would allow Managers the right to choose whether they wanted to be involved in the PERA retirement plan. Carried.

10. Administrator Interviews. Kevin Ruud met with Managers at 10:00 a.m. for the administrative interview. Ruud was asked the same fourteen questions that were given Oberg and answered accordingly. Ruud also gave background information regarding his current work with boards and government agencies and stated that his work history shows that he sticks around for awhile.
He stated that he doesn’t usually take long vacations and brought up that fact that he currently uses his vacations days as a Friday off. Ruud stated that he would be required to give his current employer a 30 day notice and even with that stated, would not be able to start prior to November 4, 2010. He stated that he would be waiting to hear and left at 10:35 a.m.

11. **Managers Discussion Regarding Administrator.** Manager Ista asked if the Board could go back and contact candidates from those who did not return the job applications when given the opportunity. No further discussion was held regarding former applicants. Manager Hanson stated that he felt that Ruud was more qualified for the job than Oberg, to which Chairman Holmvik agreed. A **motion** was made by Manager Raymond Hanson to hire Kevin Ruud pending a background check. The Finance Committee will hold a meeting and review the background information, negotiate a financial package and contract to be offered to Ruud. The Financial Committee’s recommendation will be brought back to the full board for approval. Manager Duane Erickson **seconded** the motion. Pending discussion the motion was **carried with a unanimous vote.**

12. **Resolutions to MAWD.** Manager Erickson brought forth additional resolutions that he would like to be brought to MAWD.
