Lawrence Pollock stated that he had additional proposed sites to bring to the Board for investigation. Manager Vipond asked Pollock if he thought these additional sites were better than those he proposed earlier and stated that the District probably doesn't need any more sites for investigation at this time. A motion was made by Manager Ista and seconded by Manager Vipond authorizing staff to move forward with continued investigation into the eight proposed sites upstream of Ulen. Carried. A motion was made by Manager Wright and seconded by Manager Wagner to schedule landowner informational meetings at 6:00 p.m. on Monday and Tuesday, May 21-22, at the Ulen VFW meeting room, sites 1-4 Monday and 5-8, Tuesday. Carried. Manager attendance will be limited to a committee.

## PERMIT APPLICATIONS

7. Mahnomen County, Section 30, Rosedale Township. A motion was made by Manager Vipond and seconded by Manager Spaeth to approve Permit Application # 5-9-07-1 of Mahnomen County to construct a new runway at the Mahnomen County Airport, regrade the area and install culverts in Section 30 of Rosedale Township. Carried.

8. City of Mahnomen West Side Drainage. Jon Large, Mahnomen County Engineer, and Wally Eid, Mahnomen County Commissioner, met with Managers to discuss a drainage concern on the southwest edge of the City of Mahnomen. A meeting was held with Watershed District staff and Mahnomen City and County representatives, earlier this month at which time five alternatives were discussed and a project cost for the preferred alternative was estimated at \$165,900. An option of applying for a State of Minnesota Grant for cost share funding was discussed which has a deadline of June 1, 2007. A motion was made by Manager Vipond and seconded by Manager Wright authorizing the District to submit a grant application to the State of Minnesota for cost share funding in the amount of \$82,950. Carried. A motion was made by Manager Spaeth and seconded by Manager Ista authorizing staff and Engineer Bents to coordinate with the City and County of Mahnomen to obtain the necessary information to submit the grant application. Carried. A motion was made by Manager Vipond and seconded by Manager Spaeth to apply for the 50% cost share grant from the general fund and if that is not available, ask for the funds to be used from bonding money. The balance of the cost share will be split equally in thirds with the City of Mahnomen, Mahnomen County and the Watershed District. Carried. A motion was made by Manager Wright and seconded by Manager Christensen approving the amendment to the motion. Carried.

9. Mary Township Request. Wayne Lee and Dick Ambuehl met with Managers for permission to use land in the NW ¼ of Section 9, Mary Township for storage. Administrator Dalen requested that this be discussed later on the agenda and staff will contact Lee with the decision.

10. J.D. #51 Cleanout, City of Ada. City of Ada Mayor Jim Ellefson, Counsel Members Dennis Roux, Darren Ramey and Don Vellenga and Engineers for the City of Ada, Roger Fenstad, John Wirries and Tyson Hicheck, Moore Engineering, met with Managers at 11:15 a.m. to discuss the proposed cleanout by the District of J.D. #51 east of Ada. Concerns were raised by City of Ada representatives of possible downstream impacts of the cleanout to the City of Ada. Representatives requested that the cleanout be placed on hold until the City of Ada 205 Study is complete. A motion was made by Manager Ista and seconded by Manager Wagner to put the project on hold at this time. Carried.

## PERMIT APPLICATIONS

11. Randy Degerness, Section 36, Sundal Township. A motion was made by Manager Spaeth and seconded by Manager Vipond to deny Permit Application #5-9-07-2 of Randy Degerness to remove a dry block, remove an approach and culvert, widen an existing driveway and replace the culvert in Section 36 of Sundal Township, due to downstream impacts. Carried.

12. Perry Ellingson, Section 30, Mary Township. A motion was made by Manager Wagner and seconded by Manager Wright to approve Permit Application #5-9-07-3 of Perry Ellingson to install a crossing and a 24 inch culvert in Section 30 of Mary Township. Carried.

13. Jason Keller, Section 20, Heir Township. A motion was made by Manager Ista and seconded by Manager Spaeth to approve Permit Application #5-9-07-4 of Jason Keller to construct erosion control measures including two water and sediment basins and a tile outlet in Section 20 of Heir Township with the condition that landowners within the pool areas sign on the permit application. Carried.

14. Duane Brendemuhl, Section 14, Flowing Township. A motion was made by Manager Wright and seconded by Manager Vipond to approve Permit Application #5-9-07-5 of Duane Brendemuhl to clean and maybe deepen ditch in Section 14, Flowing Township, with the following recommendation: Any work done that affects the course, current or cross section of the Felton Creek will require DNR approval and any spoil material placed on the east side of the ditch may not block the flow of water from the east into the ditch. Carried.

15. Pederson Brothers Violation, Section 7 and 8, Gregory Township, Mahnomen County. Correspondence from Mark Aanenson regarding his investigation stated that the permit from Pederson Brothers indicated that the culvert to be installed was to be 0.6 feet above the south invert of Culvert C. Scott Kahn, USFWS surveyed both culverts in May of 2006 and concluded that the Pederson culvert was installed 0.37 above the south invert of Culvert C which put the culvert approximately 0.23 feet lower than the permit indicated. Aanenson indicated that his findings on April 19, 2007, were consistent with the survey conducted by the USFWS in May of 2006. Essentially the Pederson culvert is approximately 0.23 feet (approximately 2.75 inches) lower than what was required by the permit. Attorney Hanson stated that he has a conflict of interest in this matter. A motion was made by Manager Wagner and seconded by Manager Wright authorizing staff to pursue this violation, contacting Norman County Attorney and if he cannot prosecute contact Rinke Noonan. Carried.

16. Ueland Violation. Attorney Hanson reported that Gene Ueland is in the process of preparing a restoration plan and if the plan is not provided in the near future, Hanson will be filing a motion for summary judgment.

17. Acquisition/Property Use. Administrator Dalen reported that a landowner who currently farms a small parcel of property owned by the District as part of the Acquisition Program requested a signed document to file with Farm Service Agency. Attorney Hanson suggested that he prepare a boiler plate lease agreement for landowners in this situation. Also discussed was a request by Bob Kinkade to lease the former Thomas property. A motion was made by Manager Spaeth and seconded by Manager Vipond authorizing staff to work with each landowner individually as these requests arise. Carried.

18. Financial Report. Accountant Marcussen presented the financial report dated April 30, 2007. A motion was made by Manager Ista and seconded by Manager Vipond to approve the Financial Report as presented for April 30, 2007. Carried.

19. Minnesota State Legislature Outreach 2008. Administrator Dalen stated that Manager Ista suggested the District provide brief, concise reports on the status of District projects periodically to legislators. A motion was made by Manager Ista and seconded by Manager Spaeth authorizing staff and Board members to provide reports to legislators. Carried.

20. Donovan Kolness Petition, Section 14, Georgetown Township. Engineer Bents provided a response to the Donovan Kolness petition that the assessment to his property in Section 14, Georgetown Township be removed from the tax rolls on Project #9. Bents stated that due to the construction of the detention facility as part of Project #40, the area within the Wild Rice Watershed District right-of-way no longer receives benefits from Project #9. A motion was made by Manager Vipond and seconded by Manager Wagner to also notify adjoining landowners within the detention area that they have the opportunity to petition to remove the assessment to their property and could be included in a hearing for this purpose. Carried.

21. Upper Reaches Project, Section 25, Hegne Township. A motion was made by Manager Ista and seconded by Manager Wagner authorizing Technician Mike Buerkley and Manager Wagner to investigate bank sloughing in Section 25 of Hegne Township, on the Wild Rice River. Carried.

22. Public Outreach. Publicist Tim Halle suggested using a Water Blog on the Minneapolis Star Tribune web site to bring the flooding problems in the Wild Rice Watershed District to the attention of the public. Halle also suggested articles relating to role identification, i.e. legislators, board members and Project Team.

23. Upper Reaches – Water Management District (WMD). Engineer Bents provided an update to the Managers on establishment of a WMD for the Upper Reaches Project. Attorney Von Korff has indicated that a new project will probably need to overlay the old Upper Reaches Project. Bents and Dalen will be meeting with Von Korff again to discuss funding issues.

24. Project #9, Sections 24/25 of Mary Township, Sections 30/36 of Winchester Township and Section 1 of Felton Township. Manager Wright is not taking part in any of this discussion. A motion was made by Manager Ista and seconded by Manager Wagner to schedule the hearing on the repair petition in Sections 24/25 of Mary Township, Sections 30/36 of Winchester Township and Section 1 of Felton Township for 10:00 a.m. on Wednesday June 13, 2007, at the District office. Carried. Notices will be placed in local newspapers and landowners with affected right-of-way will be notified by letter.

25. Home Lake Hydraulic Study. Engineer Bents reviewed the hydrologic/hydraulic analysis of the proposed modification of the Home Lake Outlet Structure. Based on the results, he recommended that the District hold a joint meeting with Home Lake Township, Norman County SWCD and Norman County in advance of submitting the permit application to the Minnesota DNR for the structure change on Home Lake. A motion was made by Manager Ista and seconded by Manager Wright authorizing staff to coordinate a meeting with agencies and Board representative Manager Christensen. Carried.

26. Green Meadow Dam Repair. Engineer Bents reviewed information distributed regarding Geray Construction's request for additional payment on the Green Meadow Dam Repair Project. Consensus of Managers was for Managers Ista and Seykora and Technician Mike Buerkley and Engineer Bents do a walk through of the project before any additional payment is made.

27. Project Team Meeting. A motion was made by Manager Spaeth and seconded by Manager Wagner to schedule a Project Team meeting for 10:00 a.m. on Wednesday May 23, 2007, at the District office.

28. Meeting Minutes. A motion was made by Manager Vipond and seconded by Manager Wright to approve the minutes as distributed for the March 29, 2007, General Reevaluation of the Twin Valley Dam Meeting at Twin Valley. Carried. A motion was made by Manager Ista and seconded by Manager Wright to approve the minutes of the regular meeting dated April 1, 2007, changing Clay to Becker in Paragraph #24 and deleting Administrator Bennett in Paragraph #23. Carried. A motion was made by Manager Wright and seconded by Manager Spaeth to approve the minutes of the Special Meeting dated April 27, 2007, with the addition of the following in Paragraph #3: "Manager Ista stated she felt that there should be consideration for downstream impacts, which has been a major concern, for all future bridge replacements." Carried.
29. Approval of Billings. A motion was made by Manager Spaeth and seconded by Manager Vipond to approve the billings dated May 9, 2007, as distributed. Carried.
30. Farmstead Ring Dikes. Administrator Dalen reported that in discussion with Ron Harnack on May 9, 2007, he stated that Governor Pawlenty signed the bill allocating \$200,000 for years 2007 and 2008 for ring dike funding for Red River Valley Watershed Districts.
31. Upper Felton Alternative Sites. Administrator Dalen reported that a number of landowners returned forms stating that they had property which they would consider for storage, one site which was sizeable. A motion was made by Manager Wagner and seconded by Manager Spaeth authorizing soil borings on the larger site. Carried.
32. Office Reorganization. Administrator Dalen distributed a spreadsheet flowchart detailing the functions and activities of Watershed District staff and consultants which illustrated possible changes in potential reorganization of the Office. Dalen stated that this would be reviewed and discussed at the June meeting.
33. Goal Setting. Administrator Dalen distributed a spreadsheet listing goals projected for 2007-2008, and suggested that Managers review and add comments to be considered at the June meeting.
34. Annual Reorganizational Meeting.
35. Engineering Proposal. A motion was made by Manager Wagner and seconded by Manager Ista, to accept the proposal submitted by Houston Engineering Inc. for engineering services. Carried. A copy of the proposal and fee schedule is on file at the District office.
