15. Riverview, LLP, Section 32, Waukon Twp. A motion was made by Manager Hanson and seconded by Manager Spaeth to table Permit #20-097 to install culverts, runoff ponds and a tile lift station at the applicants request pending MPCA project approval. Carried.

16. Complaints. Engineer Bents provided an update on all open complaints. A motion was made by Manager Hanson and seconded by Manager Harless to table the Fabre complaint and contact MNDOT to coordinate a field inspection of the site. Carried.

17. Goose Prairie WMA. Administrator Ruud reported that Paakh accepted the offer and we will be passing along documents for his review once they are drafted. He added that calls are into other parties working through negotiations. Board recommended Engineer Bents and Administrator Ruud meet with the Petermann parties to answer questions that they might have regarding the proposed project. The project permit was

received from USACOE noting that 0.44 acres of mitigation are required for the project. A motion was made by Manager Erickson to not pay for easement closings going forwards while options are obtained. Attorney Hanson noted that this would go against the current paperwork which is being used. Manager Erickson withdrew the motion.

18. Community Flood Protection. Engineer Bents reported that the Halstad levee is essentially completed and we are waiting for grass growth to be established. A motion was made by Manager Hanson and seconded by Manager Harless to approve a pay request to Sellin Brothers for work completed on the levee project. Carried. Engineer Bents continued that we would take care of remaining project items in Halstad and MNDOT with complete remaining items in Hendrum. Plans are being presented to Gordon Construction to complete the work in Halstad and so long as the quote is acceptable under the Uniform Contracting law we will carry forward. It was noted that we are working with the NCHD to enter into a MOA for Halstad County Grade raises to be completed. The LOMR are making their way through the process and we are anticipating a draft being received in the coming days and are still hopeful that the maps will be in effect by the end of the calendar year. A motion was made by Manager Hanson and seconded by Manager Erickson to authorize Chairman Holmvik and Secretary Johannsen signing the fee simple title declarations once they are completed by Attorney Hanson. Carried. A motion was made by Manager Hanson and seconded by Manager Spaeth to authorize Chairman Holmvik and Secretary Johannsen signing the easement declarations once they are completed by Attorney Hanson. Carried.

19. Acquisition properties. A motion was made by Manager Johannsen and seconded by Manager Spaeth to authorized Local Government Resolution for Flood Hazard Mitigation Grant Assistance: Welch Acquisition. Motion carried via roll call vote with Chairman Holmvik, Managers Christensen, Erickson, Harless, Hanson, Johannsen and Spaeth in favor. None against. A copy of the resolution can be found in Appendix A at the end of this report.

A motion was made by Manager Hanson and seconded by Manager Christensen to approve the Amendment to the 2015 Polk County Multi-Hazards Mitigation Plan. Carried. A copy of the amendment can be found in Appendix B at the end of this report.

A motion was made by Manager Johannsen and seconded by Manager Hanson to authorize Resolution of the Wild Rice Watershed District regarding the Amendment to the Polk County Multi-Hazard Mitigation Plan. Motion carried via roll call vote with Chairman Holmvik, Managers Christensen, Erickson, Harless, Hanson, Johannsen and Spaeth in favor. None against. A copy of the resolution can be found in Appendix C at the end of this report.

A motion was made by Manager Hanson and seconded by Manager Johannsen to authorize Resolution of the Wild Rice Watershed District Adoption of the Norman County All-Hazard Mitigation Plan. Motion carried via roll call vote with Chairman Holmvik, Managers Christensen, Erickson, Harless, Hanson, Johannsen and Spaeth in favor. None against. A copy of the resolution can be found in Appendix D at the end of this report.

A motion was made by Manager Johannsen and seconded by Manager Harless to approve the Letter of Maintenance Statement for acquisition properties. Carried. A copy of the letter can be found in Appendix E at the end of this report.

A motion was made by Manager Christensen and seconded by Manager Spaeth to authorize Resolution Authorization Execution of Sub-grant Agreement. Motion carried via roll call vote with Chairman Holmvik, Managers Christensen, Erickson, Harless, Hanson, Johannsen and Spaeth in favor. None against. A copy of the resolution can be found in Appendix F at the end of this report.

A motion was made by Manager Christensen and seconded by Manager Johannsen to approve the Letter of Commitment of Funds for current acquisition buyouts. Motion carried. A copy of the letter can be found in Appendix G at the end of this report.

A motion was made by Manager Hanson and seconded by Manager Spaeth to approve changing the Jacobson lease agreement as requested, removing Edgar Jacobson as a lessee, and adding Andrew Jacobson. Carried. Attorney Hanson will prepare the agreement for signature.

20. 1W1P. Administrator Ruud reminded the Board that the 60-day review period ends October 9<sup>th</sup> and any comments regarding the plan should be received on or before that date.

21. RCPP. Engineer Bents reported that the Moccasin Creek study is following the required closeout process. The RRRA needs to sign a letter to support termination of the study. He added that geotechnical studies are being completed for the Green Meadow subwatershed and notices have been mailed to landowners along the South Branch where surveying will be completed later this month.

22. Lower Wild Rice. Administrator Ruud stated that the first two applications are nearing final RIM agreements with BWSR and closings will be scheduled following this completion. A motion was made by Manager Hanson and seconded by Manager Johannsen to authorize Chairman Holmvik to sign the subordination agreement for the Vik easement following review by Attorney Hanson. Carried.

23. Upper Reaches. Administrator Ruud commented that communication with landowners along the levee repair corridor are ongoing. It is anticipated that another landowner meeting could be held following harvest, including representation from the SWCD to answer questions regarding the RIM program along the corridor.

24. Recent Flood Event. Discussion was held regarding the recent flood event, noting that heavy rainfall amounts were received on the west side of the district, causing flooding issues downstream to the Red. It was brought up as a reminder that what happens upstream does impact landowners downstream.

25. Peterson Letter. A draft letter created by the RRWMB was distributed for Board review. A motion was made by Manager Hanson and seconded by Manager Erickson to send a similar letter from the WRWD supporting the items noted. Carried. The letter will be mailed to our Federal delegates, including Senators.

26. MAWD resolution. Manager Erickson noted that a large number of acres in the District are owned by government entities and suggested this would be a good place to look at doing retention in the District. Manager Harless noted that it would be a similar idea to what we are implementing on the Goose Prairie WMA.

27. Per Diems. A motion was made by Manager Hanson and seconded by Manager Johannsen to approve payment of Manager's Per Diems and expenses as presented. Carried.

28. Meetings/Conferences/Seminars. Administrator Ruud noted that the MAWD Annual Conference will be held virtually this year.

29. There being no further business to come before the Board of Managers, a motion was made by Manager Hanson and seconded by Manager Harless to adjourn the meeting. Carried. Chairman Holmvik adjourned the meeting at 10:32 am.

### AMENDMENT TO THE 2015 POLK COUNTY MULTI-HAZARDS MITIGATION PLAN

The Polk County Multi-Hazards Mitigation Plan, as written, fulfills the requirements of the Disaster Mitigation Act of 2000, which is administered by the Federal Emergency Management Agency (FEMA). The Act requires Multi-Hazards Mitigation Plan be updated every five (5) years. This is an amendment to the approved 2015 Hazard Mitigation Plan.

The Wild Rice Watershed District (WRWD) reviewed the risk assessment and mitigation actions and determined an amendment to the Identification of At-Risk Structures, decreasing flooding damage in the 100-year floodplain by buying out willing landowners if located in the floodplain and or are repetitively damaged properties. The WRWD will be added as an implementation coordinator and potential funding source under this amendment. (Objective 9, page 191)

<b>Objectives: 9.3. Decrease flooding damage in the 100-year floodplain.</b>					
Projects	Implementation Coordinator	Priority	Timeline	Estimated Cost	Potential Funding Source(s)

### RESOLUTION OF The Wild Rice Watershed District regarding the AMENDMENT TO THE POLK COUNTY MULTI-HAZARD MITIGATION PLAN

WHEREAS, Wild Rice Watershed District has participated in the hazard mitigation planning process as established under the Disaster Mitigation Act of 2000, and

WHEREAS, the Act establishes a framework for the development of a Multi-Hazards Mitigation Plan; and

WHEREAS, the Act as part of the planning process requires public involvement and local coordination among neighboring local units of government and businesses; and

WHEREAS, the Polk County Multi-Hazards Mitigation Plan includes a risk assessment including past hazards, hazards that threaten structures located within the floodplain, an estimate of structures at risk, a general description of land uses and development trends; and

WHEREAS, the Polk County Multi-Hazards Mitigation Plan includes a mitigation strategy including goals and objectives and an action plan identifying specific mitigation projects and costs; and

WHEREAS, the Polk County Multi-Hazards Mitigation Plan includes a maintenance or implementation process including plan updates, integration of the plan into other planning documents and how Wild Rice Watershed District will maintain public participation and coordination; and

WHEREAS, the Plan has been shared with the Minnesota Division of Homeland Security and Emergency Management and the Federal Emergency Management Agency for review and comment; and

WHEREAS, the Polk County Multi-Hazards Mitigation Plan will make the reservation eligible to receive FEMA hazard mitigation assistance grants; and

NOW THEREFORE BE IT RESOLVED that Wild Rice Watershed District Board of Managers supports the hazard mitigation planning effort and wishes to adopt the Amendment to the Polk County Multi-Hazards Mitigation Plan.

This Resolution was declared duly passed and adopted and was signed by the Gregory Holmvik, Chairman, Wild Rice Watershed District Board of Managers and attested to by Curt Johannsen, Secretary, Wild Rice Watershed District Board of Managers, this 9<sup>th</sup> day of September, 2020.
